SUMMARY

Aspiring legal and development professional with a passion for driving social impact through law, strategy, and stakeholder collaboration. I bring experience in legal research, social sector innovation, and youth development. My work spans legal internships, content development for social impact training programs, and volunteer leadership in civic initiatives all rooted in a commitment to equity, education, and sustainable community transformation.

EXPERIENCE

SOSEC College, Lagos (Remote) — Research & Development Intern

JANUARY 2025 - PRESENT

- Designed educational content and formulated strategic research questions aligned with SDG-focused social impact.
- Contributed to program development, supporting the training of early-career social sector professionals.
- Assisted in resource mobilization for national-level community engagement initiatives.

Uzommiri Study Centre, Enugu — Part-time Program Coordinator

2019 - PRESENT

- Facilitated mentoring and leadership development programs for girls aged 8–16.
- Coordinated character development sessions and community service projects.
- Delivered one-on-one coaching to encourage personal growth and social responsibility.

OBRA Legal LP, Enugu — Legal Intern

APRIL 2024 - JUNE 2024

- Drafted court documents and legal memoranda; assisted in case research and document review.
- Observed litigation processes and collaborated with associates on commercial and civil matters.
- Strengthened legal writing and case preparation skills in a fast-paced firm environment.
